Cuttle are dying by the hondreds of bloody marrain on the M-jove river, lu Southern California.

..... The Board of Church Extension of the Methodist Episcopal Church has fornished \$500 towards building a liouse at Las Vegas.

The Meeker Sisters, daughters of the murdered Indian agent, have mounted the lecture platform. Oh! Those cruel, cruel Utes.

Archibald Forbes is mentioned in the last London Gazette for having during a fight in Afghauistan, attended to the wounded on the field.

It is believed the visit of the princoas Louise, to England is to advance the interests of the Lake Winnipog Land and Colonization Association.

"Blue Jeans" Williams, governor of Indiana, was the only person lavited to the Army of the Tennessee reunion at Chicago who boorishly declined.

All recent reports of Lord Beaconsfield's illness, and of a dissolusion as likely to occur in consequence, are contradicted by those who have last met him.

The New York Stock Exchange membership is to be increased from 1060 to 1110. The new members will pay an initiation fee of ten thousand dollars each.

The Washington Star says: "It is evident from the inquiry made for rooms that an unusually large number of visitors will be here during the coming session of Congress."

The Sierra Mojada mines are said to been placed on their working by Americans that it is estimated it re-\$1.00 retarn.

President Hayes continues to "lectture" the Republicans of Virginia for voting with the Readjusters at the late election. One of the things, this country greatly needs is a president who will attend to his own business.

The cold weather of the last few days has given a temporary check to prospecting but the gold bunters will not be delayed in their good work. The mineral is in the hills west of here and all that is needed is the work to bring it to the surface.

of the Silver City guards moving to the front and says that great results. are anticipated. Capt. Price is in a full quoto of officers, from Capt. down to 3d coporal and mule pack-

The total vote of the state of New York foots up 809,500 which is 120,000 lady who goes to the theater has a The greenbackers have a little over lietle as though John Kelly had captured the greater part of that element.

Reports from Leadville say the late ore developments in the Highland Chief combination are larger and richer than ever. Also, that an immense body of exceedingly rich mineral had been struck in the Pendery. Much the same prospect has also been found in the Buckeye, near the line or the Crysolite, at a depth of one hundred and forty feet.

Mr. McCormick is a son-in-law of Senator Thurman, of Obio.

Indianapolasis making great preparations for the Grant reception, to take place in that city December 9. and the newspapers of the Hoosier capital pledge the visiting world that beer shall not be put up to ton cenis. as it was in Chicago. The index ment continents, on one subject at least will, doubtless, draw a var and innumerable mob.

Brother Storgess of the crinidad News walls because some cardess sub clipped from a St. Louis Democratic paper a bit of an article and had it set up and used as Editorial. The article was all right at the beginning but had a Democratic tail to it. It is a solemn warning to all Editors to read carefully their reprint editorial.

The free for all race on the new track, on the flat east of the river is attracting much attention. A number of good animals will be on the track and some good running is promised. One advantage of a free for all race is that there is little chance for jockeying as all the runners are anxious to win the money. The race will come off between 2 and 4 o'clock.

The new drop curtain at the variety hall of Close & Patterson is work of art in its way. The center is an oil painting, with many gabled house in the foreground, a river flowing between high cliffs in the background. On each side of the picture is a flinted column. The advertising cards are gotten up with more taste than is usually seen on theater drop curtains.

Politics in Lousiana, seems to be a shifting sand. There seems to be a party coming to the front in that State ideas, formerly held by the two old opposing parties. This reaction is caused by the cool, sober, second particulars from Dodge City, Kan.: thought of the people. The laboring and business classes are beginning to look out for their own material wellfare and let the old feds die out.

The hostile Utes in Colorado are beginning to put on the war paint again. The ones who are the worst aceded at the peace commission be a fraud, so many restrictions having headquarters, still remain in the mountain fastnesses, heavily armed There is now no doubt but that, had quires a \$115 investment to obtain a it not been for the action of General Adams in fulling them into the belief that their false oaths were accepted, there would have been war from

"Cusin' an' swearin' au' fearta' dou't do no good when an item is set up so as to make less than nothing out of what was intended for a good potice. But that was how it was yesterday. The editor wrote in his fair Italian chyrography, learned at a Hoesier free school, that M. E. Kelley had purchased sixty thousand pounds of wool. Imagine his feeling when the printer and proof reader together The Mesilla News gives an account immed it up six thousand pounds.

............ It is not often the ladles who wear towering monuments of the millinery command. The griard is supplied with art to the sters and concerts find sturdy defenders. It is, ains! for the sinfulness of this wretched world, too frequently another kind of blessing which | routes. fulls upon their beautiful heads. But here is a chip who says that every buar at Albuquerque was one of the less than the vote there years ago. perfect right to wear a high bat. The in addition ther were fourteen inpeople behind her should have seenr- dictments against him at Ft. Concha, 20,000 votes, and the returns look a cd the seat in front. If they didn't Tex. she is not blame.

Lieutenant Schreffer furnishes Thirly-four an account of the recent campaign against Victorio, from which the railroad, as evinced by the pros it apppears that the troops defeated perity of its paper. the Apaches in three battles, Sept. The Cruces Thirty-Four contains 23, 29 and 30, and drove them out of the following sensible advice, "There the mountains. Owing to the absurd are plenty of good mines in New desire of regular officers to keep their . Mexico inviting development, and it movements out of the paper no ac- is poor policy to induce capitalists to count of these fights were permitted invest in "wild-cat" property." to be made public. A statement is made in one of the ed frontier situations are directly in-Eastern journal that Mr. McCornich | terested in such things, and when the formerly Governor of this Territory, inclians are defeated, the people want and more recently American Cone to know it. In this connection it may missioner to the Paris Expositions be remembered that when Lt. Hookwill be tendered the Bussian Ribeion, ors borses were stolen it was kept seeret night days, leaving the settlers in iguorance of their danger and permitting the subsequent massners. Lt. licinaffer however ends his story by acknowledging that the ladiens defented the troops in Mexico.

The editor of the Washington Republican comes nearer expressing our than any other newspaper writer in the land, when he says: "Young man, don't sweer. Swearing never was good for a sore fluger, it never cured the rheamatism nor heiped draw a prize in a lottery. It isn't recommended for liver complaint. It isn't suce against lightning, sewing machine agents, nor any of the ills which beset people through life. There is no occasion for swearing outside of a newspaper office. where it is useful in proof-reading, and indispensably necessary in getting forms to press. It has been known, also, to materially assist the editor in looking over the paper after it is printed. But otherwise it is a very foolish and wicked habit.

The Nicaragua Canal.

The Delesseps' scheme to construct a ship canal across the Isthmus of Panama having failed to obtain the required support and prosecution. The American plan has come to the front, Naturaly this scheme will obtain more support in this country and if taken up by the solid business men of the country will be liberally supported by foreign money.

Some weeks ago the GAZETTE gave an account of a raid by revenue officials on the merchants and cattle men in the Panhandle for technical violations of the revenue laws. The men were all released on habeas corpus and which is opposed to all the ultra the officers after getting out new warrants rearrested them. The telegraph

Colonel Norton, Unites States marshal for the northern district of Texas, accompanied by two deputies, is in the city, on his way home from the Panhandle of Texas, where he arrested all the county officers of Wheeler county and ten other parties, principally ranchmen, the arrests being the result of internal revenue violations. Considerable excitement prevails among the rancimen south of here tobacco to their hands.

TERRETORIAL.

There are now 125 American miners at Silver Buttes.

The Native states that a good crop of trish potatoes was raised near Bernaifile this year.

District courtries now in session in Dona Ana county, Judge Warren Bristol presiding. Stover & Co., believe in advertising.

Jay Gould's Movements.

eist. Leuis, Nov. 25.-The leading ciercleants and capitalists of St. Louis called upon Jay Gould, at his roomin the Lindell Flotel this morning, and had a conversation with him regarding his recent acquisitions of railroad property in the west, of their effect upon this section of the country, the policy he would pursue toward St. Louis, etc. The answer-according to the report of the meeting which was private-was quite satisfactory to those present. Mr. Gould has made a pretty thorough examination of the Missouri Pacific property here. and expresses himself highly pleased with it. He and his party will leave for Kansas Oily to-morrow evening on a tour of inspection of the Missouri Pacific road, and then go to Omaha and then to Ogden.

Jem Carrio's Triat.

Galveston, Nov. 25 .- A News special from Marshall says the case of the date against James Currie for the murder of the actor Parley was called celve it in those lamps. The witnesthis morning. The court or-electrostances I am perfectly innocent. dered the clerk to enter a fine of \$500 - Galveston News. each against Barrymore, Miss Cummins and A. Harvey, they having forfeited their recognizance. The prosecution claim that they have made every effort to find Harvey. The case will be called again in April.

Heavy Failure at St. John,

St. John, N. B., Nov. 24.--L. II. Deveber & Sons have made an assignment to Mr. McLeod. Their liabilities, direct and indirect, are about \$700,000. The assets are large, but consist of unrealizable property-real estate, mills, shipping, etc. The house is the oldest in the dry goods and grocery line, having been established in 1815. A number of houses in St. John and throughout the province will be affected by this failure. About \$100,000 of the indebtedness is due in England.

Anti-Footpad, Bunko Steerer Grusede.

Leadville, November 24 -- Matters are quieting down but the guards patrol the city still and a conflict be-tween the vigilants and the plug now gives the following additional uglies may be resumed on a slight pro-vocation. Twelve masked men last night entered a ball room, singled out a man and examined his face, but released him saying: "This is not our man." None of the parties warned to leave have gone.

Practical Relief for Areland.

Dublin, November 24.—The government engineer has surveyed the districts bordering on the Shaunon river with a view to the commencement by and among cattle men who have sold the government of a scheme for their drainage which is to cost 20,000 pounds. The prospect of employment for laborers in these districts is regarded with great satisfaction. ---

From Los Pinos.

Denver, Col., November 25 .- Dispatches from Los Pinos, state up to Monday the hostile Indians had not returned to that point, though it was preparing to come in. Ourny said the hostiles were arming, evidently fearing trouble. The dispatches do not indicate that the commission expect to accomplish much more and it is reported that there are fears that againpaign has already been arranged, one column to march from Milk Run, one from Utah and two from the South. The commission is still barricaded and prepared to resent any attack.

Speaker Randall in a Corner. Washington, November 25,-The story here now is that the redistricting of Fennsylvania under the new census will be fatal to Randall's chances working down into New Mexico and for another term, and that, realizing are successfur in finding practical this, he is lpaning to capture Wallace's place. His friends, however, say that he would much prefer the Speakership of the House to a seat in the Sepate.

Steamship Pier Carried Away ın a Storm.

New York, Nov. 25. Dispatches received in this city ennounce that the pter of the Pacific Mail steamship company, at Aspinwall, had been carried away in a storm. Saveral colliers were sunk.

Two Hundred Mormons Arrive. Alamosa, Nov. 25,-Two hundred Mormons from Tennessee and Georgis arrived at this place last night and locate at Mesa south of Conejos.

Boston, Nov- 25 .- The unnouncement is made of the policy of the Roman Catholic church of New England toward the public schools. The Arch-

Pope to a European bishop, has difrected all privats in the area dioceso New England to a once establish parochial schools and threaters parents who refuse to paironize them with the terrors of the church. In localities where the influence of the public schools is thought to be particularly injurious to the Catholic youth the priests are instructed to will draw the children at once even if there be an parechial school in the vicinity.

Lapere, the French Minister of the interior, whe, it was reported, had resigned chickly because of the prosecution of Le Galois for publishing the address to the Count de Chambord, which was adopted at the late Locithoist banquet, it is announced by cable, his withdrawn his resignation. the seems to have been as easily per-sueded to this step as any chronic off e-holder might have been.

Jadge: "You must admit that the proof against you is overwhelming.

Thief: Your honor, I do not per-

Two sons of the late Park Benjamin have started a new and somewhat novel business in New York City, which bids fair to be of nullity to lawyers. They are simply expert witnesses competent to testify in lawsuits relative to knotty questions in all branches of science.

Dispatches from Valparaiso, confirm the report of a decisive victory gained by the Chillians near Iquique. The defeat of the affied forces is stated to have been overwhelming.
